Ring of Smoke Report

The Ring of Smoke meets the first Sunday of the Month at Shawn O'Donnell's in Everett.

May's Meeting Report

May's theme was "Chaos" - Perform or discuss something where things seem to go wrong but turn out right.

At the business part of the meeting we were informed that the money situation was still good. Informed that David Parr was coming for a show in Seattle. There was info on the Penn & Tellar Masterclass series and the cost for them. (\$90/class or \$180 for the series). We watch a short video of a Del Ray performance, we saw the "Singing Bird Routine".

Ralph Huntzinger showed us 4 coins across routine. He then proceeded to a teach-in where he taught how to perform the routine.

Evan Shuster had a show and tell where he showed us a deck of cards with the backs look like the composition notebook. It had different fanning patterns, which made it a one-way deck.

Ralph Huntzinger demo the latest iteration of BECCA and took suggestions from the club.

Joy Knight-Richards showed us a rope routine with knots appearing and vanishing. She also showed up her version of his block off rope routine.

Craig Colombel showed part of a routine he is working on and got some suggestions and help with the routine.

Come to a meeting a talk, see magic and show off your magic.

President's Message

Evan Shuster

June, 2019

I think back to a year ago, today. I was already deep into the planning and coordination of the 3 of Clubs convention. Costs were mounting, and I was in serious fear that I would end up bankrupting this club of ours.

Flash forward to October, and I think that we can proudly state that it was one of the very best of any of the 3 of Clubs, ever. It all went off without any major missteps, and left us with a little extra cash in the bank to help support the continuation of the lecture series.

With that said, we are already about to enjoy the third lecture of the season (time flies).

I hope that you will join us at 2:00 pm, on Saturday, June 22nd, as The Can-Am Conjuring Lecture Series welcomes Marcus Eddie to Shawn O'Donnell's.

We will then take a lecture break for the summer, and return in September with Jonathan Levit. We close the current season in November with Mark Strivings. Still plenty of great talent coming our way!

****ALERT******June's club meeting will be at the Shoreline Library**

345 NE 175th St, Shoreline, WA 98155

June 13th at 7:00pm.

July and August meetings will be back at the Kenmore Library.

IMPORTANT!!!

I am still hoping to hear from some of our members who are interested in taking a larger role in the club. Candidates should be identified by the time of our July meeting, 60+ days prior to the date of the annual election, at the first regular meeting in September.

It would be nice to have you all thinking about what you would like your role in the club to be over the next year or two. If you have good attendance and think you might like to become an officer (President, perhaps?) now is a great time to let me know. I want to do it by the book, so the more info I collect now, the more successful that pledge will be.

HOLD THE DATE...

August 6th is the National Night Out Against Crime in Richmond Beach. Once again, we are looking for volunteers to perform walk-around, or simply set up a table and draw yourself a crowd. Ralph will be leading the event for the club, which begins at 6:00 pm. Interested in volunteering? Please let me know, or reach out directly to Ralph. I will be attending Magic LIVE at that time, but for those of you who will be available I encourage you to support the event.

Well... that's about it for this month. I hope to see many of you at the June meeting.

Best regards,

Evan

MARCUS EDDIE LECTURE June 22, 2019 @ 2:00 PM

Growing up overseas as part of an Air Force family, Marcus did not have access to magic shops or clubs. Using a magic set he received as a gift from his parents and the few magic books he could find in the school library, Marcus began teaching himself the craft when he was just 12 years old. Building his illusions from toy boxes, tape and everyday items, Marcus took his childhood passion and turned it into his career.

Today, he is an 8-time, award-winning magician, including his win on the Syfy Channel's magic competition, "Wizard Wars."

He has appeared on "Penn & Teller Fool Us," and is the creator of a large catalog of acclaimed, commercially released creations. Marcus also works as a consultant for magicians worldwide, including David Blaine on his television special, "Beyond Magic."

Marcus Eddie's original magic will leave you stunned, and his lecture will leave you inspired.
